MEMORANDUM

TO: The Chairman and Members of the Commission

FROM: Amy L. Willey, Public Utility Analyst 

SUBJECT: IN THE MATTER OF THE PROVISION OF STANDARD OFFER SUPPLY TO
RETAIL CONSUMERS IN THE SERVICE TERRITORY OF DELMARVA POWER &
LIGHT COMPANY
(FILED AUGUST 16, 2019) PSC DOCKET NO. 19-0520

On August 16, 2019, Delmarva filed with the Commission documents pertaining to the Request for Proposals and the Full Requirements Service Agreement for Standard Offer Supply (the “Filing”) to change dates regarding the upcoming Delmarva 2020 Standard Offer Service (“SOS”) procurement cycle and process. This Filing contains documents with Delmarva’s proposed changes to the SOS procurement process and includes six exhibits. Exhibit 1 is a summary of the 2020 SOS Procurement Improvement Process proposals. Exhibit 2 is the redlined “Delmarva Power & Light Company 2020 Request for Proposals for Full Requirements Wholesale Electric Power Supply in Delaware, Dated October 9, 2019” (“RFP”). Exhibit 3 is the clean version of the RFP. Exhibit 4 is the redlined version of the “Full Requirements Service Agreement” (“FSA”). Exhibit 5 is the clean version of the FSA. Exhibit 6 is the Delmarva De. SOS Stakeholder List.

In the Filing, Delmarva requests that the Commission approve the following changes to the respective SOS procurement process documents. In the RFP (Exhibit 2 & 3, § 3.1) an administrative edit was made correcting the issue date of Order No. 7053 to October 17, 2006. The second proposal details the bidding schedule for the RFP (Exhibit 2 & 3, § 6) and beginning in 2020, the Public Service Commission is changing the contract approval date from Thursday to Wednesday of auction week. In the third proposal, Section 3.1 of the RFP, Eligibility of Applicants (Exhibit 2 & 3), clarifies that the posting of creditworthiness collateral is required to be pre-bid collateral. In the fourth proposal (Exhibit 1, Item No. IV) the pre-bid software platform is changing from Appian to Ariba as the platform suppliers will use. Enel X will remain the auction platform.
